A black and white photograph of a large, two-story building with a gabled roof and a prominent chimney. The building features a covered porch on the left side and numerous windows. It is situated in a grassy field with trees in the background.

**Main Administration Building at Dwight  
Dedicated to Building Disciples**

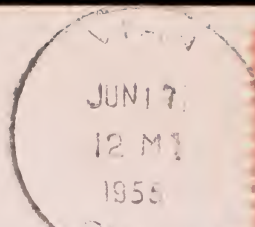

ADMINISTRATION BUILDING AT DWIGHT  
This building was dedicated in 1917 — affectionately  
known as the school building to many boys and girls  
over the years. Has five large class rooms, office, library  
and Chapel. Today it serves as center of all operations  
of Dwight Presbyterian Mission.

Dear G.W.M.,

As you may discern  
this is where I am  
at. Having a good  
time. How did you  
and Nannette get  
along at Petit Jean.  
See you later

Norman C. Myers
